Dear Mayor Wheeler, City Council Members and Mr. McGlothlin,

Thank you so much for your continued support for our Columbia City Community Library. City employees mounted our newly purchased library signs in prominent places so everyone can see, know, and locate the library services. In addition, approval of the second street closure for the Columbia City Celebration in September will provide safety and ease for all who come to view and enjoy the car show along with all the other special events. Although the purpose of the Celebration is to raise operational money for the library, it is also a fun event that highlights our wonderful community. You are a valued partner in that.

Again, thank you!
