### **Topics:**

After action review conducted regarding inaugural Columbia City “Prepare Fair”. Citizen participation and feedback noted as very positive. Annual event planned with 2014 primary focus identified as earthquake preparedness with continued emphasis on general preparedness and CAN registration. Discussion took place regarding OMSI or other entity (?) having mobile earthquake demonstration room/equipment and how to procure. Plan to have future “Prepare Fair” event(s) to coincide with annual City Celebration in month of September. Discussion regarding CAN system included a feasibility test as well as development of test messages and number of households/individuals registered.

The planning group completed review of Appendix C to the Columbia County Multi-Jurisdictional Hazard Mitigation Plan, in accordance with Council Bill No. 09-

525. Specific items updated as to accomplishments/tasks completed/on-going status. Planning group members are to forward any other suggestions or concerns to City Administrator Leahnette Rivers via e-mail.

Other business: Discussion took place regarding draft document prepared by Ron Youngberg, CRF&R, relating to response plan for a Dyno Nobel reported chemical release.

The planning group scheduled next team meeting to Monday December 2, 2013.

Meeting adjourned at 7:01 pm.
