

**Hazard Mitigation Planning Group  
Meeting Minutes – December 2, 2013  
City Hall, 1840 2<sup>nd</sup> Street  
Columbia City, Oregon 97018**

**Members Present:**

Kelly Niles – Group Leader  
Ann Parrott – Public Health Foundation of Columbia County  
Ron Youngberg – CRF&R  
Gary Hudson – Citizen Member  
Lorne Clark – Dyno Nobel  
Ray Murphy – Citizen Member

Meeting called to order at 1803.

**Topics:**

We discussed the CAN testing. Did not go as well as hoped. Steve Watson is working on some polygons and some pre-recorded messages to be able to disseminate information quicker. Still a good tool to use but the process is not quick enough at this time. Also discussed the need for a PIC to be assigned (Holly Habbe, SH CERT Contact?) for when the return calls from the citizens start coming in. Need to keep working through the process and maybe next time send out an educational message for our test.

Topic of the Statewide Emergency Operations Planning Project was tabled until the next meeting.

At our next meeting we need to discuss the potential for increased rail traffic and other commodities.

Meeting adjourned at 1840.

Next meeting is on 1/27 at 1800.
