Outgoing Chair Marson introduced Chair Fitzgibbons to Committee Members.

**ODOT Right-of-Way Area - Entrance Sign:** Members discussed adding the flagpole and lighting for the sign and flag to the site. Leahnette will check with the PUD for lighting advice. Members will take a look at the site to determine the location for the flagpole. Leahnette will confirm the height of the pole. A photo shoot will be coordinated at the site for the local newspaper - possibly on January 25 at 3:30 p.m., weather depending.

**Harvard Park:** Members were pleased with the Harvard Anderson memorial plaque. Leahnette will check further about acquiring the etched rock from the new homeowners of the house on Sixth Street, and Members will look more closely at some large rocks along the ditch near Jim Bundy Memorial Park that might work for mounting the plaque.

**Jim Bundy Memorial Park:** Members suggested the local newspaper be asked to do a feature article about the trillium when it blooms this season.

Meeting adjourned 5:52 p.m.
