Section 2. [Discontinuance of Present Numbering System.] The present street and building numbering system and numbers are hereby discontinued and of no further force and effect within the City of Columbia City.

Section 3. [Street Numbering System.] It is hereby ORDAINED that on the effective date of this Ordinance, the house and building numbering system within the City limits of the City of Columbia City, Columbia County, Oregon shall be as follows:

1. All rows of blocks shall be numbered from South to North. Rows of blocks commencing with the South City limits shall be numbered by hundreds beginning with 1400 and ending with 3700 at the Northerly row of blocks.

2. The houses and buildings on the lots facing east on the west side of each north-south street shall be numbered from south to north; the first two digits being the block row number and the last two digits shall be 05 to 15; 15 to 25; 25 to 35; 35 to 45; 45 to 55; and shall be odd-numbered; the houses and buildings facing west on the east side of said streets shall be even-numbered, running from south to north. The first two digits shall begin with the block row number and the last two digits shall be even-numbered and shall be 00 to 10; 10 to 20; 20 to 30; 30 to 40; and 40 to 50. [Amended by Ord. No. 291 12/6/72]

3. Houses and buildings facing North along the South side of the East-West streets shall be odd numbered with three digits; the first digit shall be the same as the number of the North-South street lying along the East side of the block and shall be numbered from East to West; the second two digits shall be 05 to 55; and 55 to 95.

4. Houses and buildings facing South along the North side of the East-West streets shall be even numbered with three digits; the first digit shall be the same as the number of the North-South street lying along the East side of the block and shall be numbered from East to West; the second two digits shall be 00 to 50; and 50 to 90.

5. Houses and buildings East of First Street facing the East-West streets shall have four digits; the first two digits shall be 01 and the second two digits shall be the same as houses and buildings facing the East-West streets, as set forth in Section 3 Paragraph 3 and 4 above.

Section 4. [Recorder Responsibilities.] The City Recorder is hereby directed to deliver to the Columbia County Surveyor and to the Columbia County Clerk sufficient numbers of duly authenticated copies of this Ordinance for the purpose of both of the above County officials correcting the official plat of the City of Columbia City to conform to the terms of this Ordinance; and this Ordinance shall take effect and be in full force and effect when signed by the Mayor.

Passed by the council and approved by the mayor November 20, 1968.
