Veterans Park: Nell has done a lot of work in the park recently. Nell and Sally Ann will continue to do some additional work in preparation for the Memorial Day Ceremony. The flowers are looking great. The Community Corrections Work Crew did some weed eating last week and will spread bark dust this week. The engraving has been done for the new brick orders.

Harvard Park: Sally Ann has coordinated with Mike McCoy of the Lions Club on the bench location. They have selected Harvard Park for the location, under the new shade sail. Micah has been in contact with Mike.

Armstrong Work Group: Leahnette said the Armstrong community crew will work in Columbia City parks on May 29 and May 30. She and Micah toured the parks and selected work activities in Pixie, Ruth Rose Richardson, Carolyn King Memorial and Harvard Parks, with activities in Jim Bundy Park as a back up if they finish the work at the other sites.

Adjournment: The meeting adjourned to a site visit in Datis and Carolyn King Parks at 5:35 p.m.
