1. Discuss SCA grant

Members discussed the fact that we did not receive the Small City Allotment grant applied for in 2025 and what we wanted to do for the 2026 application. It was decided that this year's grant application would remain the same as last year and includes repaving portions of 2nd Place and 3rd, 6th, Calvin, C, E, J, & K Streets.

2. Develop proposed project list for the draft Five-Year Capital Improvement Plan

After reviewing the project list, the five-year plan is as follows:

- Pavement restoration on portions of 2nd Place and 3rd, 6th, Calvin, C, E, J, & K Streets in budget year 2026-27 (applying for Small City Allotment grant).
- Pavement restoration on E Street, 6th Street to Highway 30, in budget year 2028-29.
- Pavement restoration on L Street bridge in budget year 2030-31.

3. Street Condition Update

The last street condition update was done in 2023. After some discussion it was decided to wait on doing a new street condition survey until after the next street paving was completed.
