General Regulations: Utility bills arrive around the first day of each month and are due by the 10th of that month. If a bill is not paid by the 25th, the customer will be charged a \$5.00 late fee, and will be advised by a written notice that service is to be discontinued unless the delinquent amounts are paid by the 10th of the following month. If full payment is not made by the 10th, a late fee of \$15.00 will be charged to the customer, and the City shall deliver a second notice to the premises no less than 12 hours prior to shut-off. The customer owing the delinquent amount shall pay the entire delinquent amount and a reconnection fee of \$25.00 before service is restored. An additional \$50.00 fee shall be paid if the turn-on request is outside of regular working hours.

Reasons for discontinuing service may be: unpaid utility bill; if an apparatus, appliance, or other equipment using water is dangerous, unsafe or in violation of the law; excessive demand by one customer that will result in inadequate service to others; to protect the City against fraud or abuse; for non-compliance with City regulations which may be hazardous to the health and safety of others; for damaging City property such as meters, seals or pipes; for the resale of water designated for a specific property; or for tampering, interfering or intentionally or recklessly damaging any portion of the City water system.

When water service is terminated at the customer's request, during a vacation or for some other purpose, and then later restored to the same user, a restoration fee of \$35.00 shall be charged at the time service is restored.

Payments may be made the following ways: in person at City Hall, 1840 Second Street; mailed to PO Box 189, Columbia City, OR 97018; placed in the drop box in front of City Hall; or online at our website www.columbia-city.org "How Do I", then "Pay Water and Sewer Bill".
